2015 HKMA Quality Award Dinner

Friday, 24 July 2015

An Excellent Opportunity to Share the Experience of First-Class Companies in Quality

The HKMA Quality Award was first launched in 1991 by The Hong Kong Management Association and is the most prestigious accolade of the Association. Based on the American Malcolm Baldrige National Quality Award, this annual award aims to reward and bring public recognition to those organizations that have achieved outstanding standards of quality and made a lasting commitment to the process of quality management.

The Quality Award Dinner is the highlight of the 2015 HKMA QUALITY AWARD. Guests who will gather on the occasion include members of the Panel of Judges, the Board of Examiners and the Organizing Committee of the Award, the newly selected 2015 Award winners, past Award winners, practitioners in the field and also executives from quality companies in various trades and industries.

GUEST OF HONOUR AND SPEAKER

Charles Li
Chief Executive
Hong Kong Exchanges and Clearing Limited

Charles Li has served as Chief Executive of Hong Kong Exchanges and Clearing (HKEx) since 2010. In this role, Mr. Li has orchestrated some of the most significant strategic initiatives in HKEx's history, including the expansion into fixed income, currency and commodities through the acquisition of the London Metal Exchange in 2012 and the launch of OTC Clear in 2013, as well as enhanced mutual market access with Mainland China through Shanghai-Hong Kong Stock Connect and other cooperation.

Mr. Li's career in financial services spans over 20 years. Before joining HKEx, he was Chairman of JPMorgan Chase China, prior to which he was President of Merrill Lynch China. Before joining Merrill Lynch in 1994, Mr. Li practiced law in New York with Davis Polk & Wardwell and Brown & Wood.

Before moving to the US for his studies, Mr. Li had worked as an offshore oil worker in the North China Sea, and as a newspaper editor-reporter for China Daily from 1984-86.

Mr. Li obtained a BA degree in English literature from Xiamen University of China in 1984, a MA degree in journalism from the University of Alabama in 1988, and a JD degree from Columbia University School of Law in 1991.
