### Stress and Aromatic Solutions

Course Code: GCPD-45971-2018-2-SS

Stress is the feeling of being under too much mental and emotional pressure and we each respond to it in different ways. What might be stressful for one person might actually be the motivational drive another will experience. It can be when that drive becomes too much for us to cope with that our physical and emotional health begins to suffer. What happens to the body and how does it respond to stress? We will discuss the essential oils that can help us in a stressful situation and how we can use them efficiently in our daily lives and for our clients.

**Language Medium & Course Notes :** English      **Maximum Class Size :** 80

### Allergies and How Aromatherapy Can Help

Course Code: GCPD-45972-2018-2-NL

Allergies are a number of conditions caused by hypersensitivity of the immune system to typically harmless substances in the environment. It is a fact that more and more people are becoming allergic to many things. So what triggers an allergic reaction and how does the body respond? These questions will be answered in this session and we will be looking at suitable essential oils and products to help tackle some of the symptoms, to ease discomfort and manage the condition.

**Language Medium & Course Notes :** English      **Maximum Class Size :** 20

**Course Schedule :** Sunday, 4 November 2018 7:00pm – 9:30pm (2.5 hours)

**Fee :** HK\$600
