

Thriving in Today's Dynamic Business Landscape

Expand your knowledge with a CPA qualification

Studying for or graduating from an MBA is a huge achievement, but there is still room to further push your business knowledge.

CPA Australia is honoured to collaborate with the University of South Australia MBA Program jointly organized with the Hong Kong Management Association to offer its students an exclusive exemption arrangement. [The Experience-Based Pathway](#) is a CPA Australia membership pathway that recognises the expertise and experience of business professionals from non-accounting backgrounds. You could enjoy up to maximum exemption* up to 5 CPA Program subjects.

With the CPA Program, you could critically explore and analyse alternative ways of understanding and responding to strategic accounting, financial, technological and managerial issues. The knowledge and skills acquired in the CPA Program are hugely transferrable and relevant to almost every industry, giving you a greater competitive advantage within the job markets.

Some of the CPA subjects include:

Ethics & Governance

Global Strategy & Leadership

Financial Reporting

Digital Finance

Contemporary Business Issues

Being a CPA gives you a competitive advantage over your peers. The qualification is internationally recognised, associated with a strong legacy, international presence and thought leadership.

What we can offer:

Flexible study options to suit your career situation

A professional designation to set you up for a career in finance and accounting

60-80% average exam pass rate to speed up your CPA journey

EXPERIENCE-BASED PATHWAY

Exclusive for University of South Australia MBA students

At CPA Australia, we consider your education, job responsibilities and career progression to ensure we fully understand your skills when assessing your eligibility for CPA membership regardless of your degree majors.

-  Eligible for professionals with 5 years of above experiences in finance or accounting management roles.
-  Consider job responsibilities spanning across finance, accounting, management, consulting and auditing.
-  Exemption will also be granted to other professional qualification holders including CFA, CIMA, TIHK and more.
-  If Foundation Exam is required, University of South Australia MBA students/graduates will be eligible to partial exemption* of Foundation Exam.

*Exemption applications are subject to the final decisions of CPA Australia.

With this Pathway, you might be eligible for maximum exemption* up to 5 CPA Program subjects.

You can become a CPA as quick as in one year.
