EXECUTIVE DIPLOMA IN DIGITAL MARKETING

數碼市場推廣專業行政文憑課程

INTRODUCTION

This is the “Digital and Social Media Age” - there have been a lot of discussions about how digital and social media impact marketing and businesses; yet, so many businesses are still not quite sure of how to be leveraging digital and social media or even deciphering if digital social media are right for them.

In the course, instructors will lead participants to explore the landscape and future of digital and social media marketing (also commonly known as i-Marketing) as well as their positive and negative impacts of businesses and marketing for businesses. Most importantly, this course will share the gist with the participants the core digital and social media tools in Hong Kong, how to leverage them for better brand building and greater sales, and how to determine the social media returns on investments.

WHY STUDY THIS COURSE?

Able to fathom the essence of digital marketing can help you breakthrough your career and business. Taught by experienced digital marketing experts, this course covers well-rounded digital marketing topics from website to e-commerce, social commerce, email marketing, display, search, mobile and social media, with concepts, practical guidelines, real case studies and useful tips to help you grasp the know-how of digital marketing in short-time.

This course is specially designed for marketers with operational responsibilities or aspiring middle managers who wish to build on their knowledge and further develop their digital marketing skills and specialties.

EXPECTED LEARNING OUTCOME

Upon completion of the course, students will be able to learn:

- Know-how of building brand, growing business and connecting with customers via various digital marketing media.
- Critical successful factors of an effective website, e-commerce and social commerce.
- Valuable digital marketing lessons from real case studies.

The programme will be delivered in Cantonese, and the course material will be in English.

LECTURER

Ms Christina Tam (Module 1)

Christina has over 15-year intensive working experience in marketing, product management and business development, with particular expertise in digital marketing. She is a well-round marketing professional and has been equipped with acute business sense and the best management practices and market inspirations from the top brands and multinational corporations. She has held senior management positions in leading MNCs across various industries like telecom, online, entertainment, media and advertising.

Christina has degrees in MBA and Computer Science from renowned academic institutions. She has over 10-year of lecturing experience and enjoys teaching digital marketing and e-business courses in leading educational institutes for sharing her knowledge and management experience.

Mr Douglas Li (Module 2)

Douglas has excellent business creativity, commercial sense and is an expert in the industry. He is a professional good at digital marketing, ecommerce, brand building, new product development and project management. Over past 20 years of his career, he had been leading and managed an accumulated total of over ten million dollars in marketing, brand building and new product development projects for companies in Hong Kong such as former Wharf T & T, PCCW and France Telecom Group.

Douglas graduated with Master degree in Marketing Management (Macquarie University, Australia) and Master degree in Electrical Engineering (University of Sydney, Australia) and has extensive teaching experience in management, digital marketing, ecommerce, customer relationship management and marketing communications subjects with leading education institutes. He has also conducted numerous corporate training services for blue chips and multi-national companies such as RE: SOURCES China, Publicis Groupe (World 3rd largest Marketing Communications Group), ESPRIT, COL Limited.

Dr Jeffrey Phoenix HUI (Module 3)

Dr. Jeffrey Hui, a leading strategic i-Marketing and education expert in the region, is currently Managing Director, InnoSights Limited and Chairperson of Hong Kong Institute of Marketing (HKIM).

As a well-rounded marketing and training professional, Jeffrey served at various top-notch organizations, including P&G, Cathy Pacific, TVB, RTHK, The Chinese University of Hong Kong and King's Glory Education.

As an experienced marketing and training consultant, Jeffrey has been invited to conduct a vast range of training, workshops and talks (over 1,000 sessions) and to provide consulting services to various high-profile corporations, including: Google, L'Oreal, Gillette, GSK, 3M, Pfizer, Nestle, HSBC, UBS, Deloitte, Cathay Pacific, Inchcape, New World Group, etc.

Apart from these, Jeffrey has also lectured a number of tertiary institutes in Hong Kong. Delivering an outstanding level of teaching and training quality, he was elected as "The Best Lecturer of the Year" (ranked 1st among 104 university lecturers). In 2014, Jeffrey was appointed as Adjunct Professor in Marketing by Guangdong Food and Drug Vocational College.

Jeffrey has also authored and co-authored several top-selling books on branding, marketing, strategies and management, including: "Winning Marketing Strategies" (《贏銷策略——打造品牌必讀 50 例》), "Talks with CXOs" (《商識滿天下——香港商管翹楚 30 訪》), "Let Our Brands FLY!" (《讓品牌「飛」! ——策略社交媒體、網絡營銷實戰秘笈》)*, "Super Brand Links" (《品牌超連結——十大 Marketers 成功實學》)* and "i-Marketing 0 and 1" (《贏銷 0 與 1》)* (*NO. 1 Finance and Business Category Bestseller at Eslite 誠品書店).
