G. Application for Recognition of Prior Learning (RPL)

Advanced standing may be granted by the University for applicants holding a relevant postgraduate degree of Master/Doctoral of an approved university. Only qualifications obtained within the recent 5 years will be considered by the University. Exemptions will be made on the basis of mapping previously obtained qualifications against the learning outcomes of the Part One modules. Given the importance of research for the doctorate, applicants are unlikely to be exempted from the research modules unless they have studied significant credits of research methods as part of their Master/Doctoral provision. The maximum number of credits that can be exempted is 120 credits in Part One. No exemptions from Part Two of the programme will be granted.

Applicants who wish to apply for RPL must complete the form at (http://www.uwtsd.ac.uk/media/uwtsd-website/content-assets/documents/academic-office/quality-handbook/PL3A_RPL_Certificated_Learning_Application_Form_09-2016.docx) together with relevant supporting documents (e.g. transcript, detailed syllabus, assessment requirements and contact hours of the previously studied courses, etc.) and submit to the UWTSD DBA Local Secretariat at least one month before the commencement of the programme. Application for RPL submitted after the programme commencement will NOT be considered. The granting of RPL is at the sole discretion of the University.

Applicants are required to pay a non-refundable exemption processing fee of HK\$500 per module when submitting the application for RPL. The exemption fee is HK\$7,000 per module, which is payable upon successful application for exemption. Applicants will be notified of their results by email.
